This question is an enquiry into the main political and social challenges facing America. [25]

Study the sources below and answer the questions that follow.

Source A

a) What does Source A show you about the KKK? [2]

Source B

I have a very great wish to go to America. I want to leave my native country because we are six children and we have very little land. My parents are still young, so it is difficult for us to live. Here in Poland, one must work plenty and wages are very small, just enough to live, so I would like to go and perhaps I would earn more there.

[From an interview with a Polish farm labourer in 1912, explaining why he wanted to go to the USA]

b) Use the information in Source B and your own knowledge to explain why so many immigrants moved to the USA? [4]

c) i Explain why so many Black Americans migrated to the North during the 1920s? [4]

ii Describe how the American government limited the number of immigrants that entered the country during the 1920s? [5]

d) Was the treatment of Black Americans the most significant challenge facing the US during this period? [10]

You should give a two-sided answer to this question:

- discuss the significance of the treatment of Black Americans*
- discuss other significant challenges facing in American politics and society; and give a judgement on the question set.*
